DISCOVERY ANTIQUÉ & MODERN FIREARMS AUCTION

Welcome to our DISCOVERY winter auction!

Highlights include our usual large array of assorted military weapons dating from the 18th century through Viet Nam that includes a 1903 Springfield rifle, a US Trapdoor Springfield, a US M1 Carbine, 1911s, and more.

We have a rare Peters half-stock percussion rifle and a number of highly desirable collectible knives including Strider and Barry Wood. Ammunition and accessories are in high demand lately and we have bulk rifle and pistol ammunition. We are offering a number of great sporting rifles to fill any shotgun sportsman or hunter's needs. There is as always a fine array of concealed carry and defensive handguns, many are new in the box. We have acquired some great collectible ammo for collectors and some very scarce and hard to find ammo for shooters. We welcome you to peruse our latest offerings as there is bound to be something of interest to just about every collector and shooter in all price ranges.
