

VISIONS & DETAILS

David Hockney,
"The Desk,
July 1st" - 1984,
Chromogenic
Photo Collage

From the estate of
Jerome Fletcher, Ponte
Vedra Beach, Florida

David Hockney created his iconic "joiners" by combining multiple images taken from various angles to create unique photographic collages. In that same spirit, Jerome Fletcher of Ponte Vedra Beach, Florida created a reputation for looking at various business opportunities from different angles to create unprecedented success. Now you can experience a piece of both of these visionaries.
