The distemperate snows have finally given way to nature's first green, so grab this gold while it stays, and maybe some silver too. Old Kinderhook Auction Company is proud to announce their Spring Swinger event, where all are invited to gather round the budding May Pole and get some goods. A bevy of fine art and antique frames will start us off, before marching into a mountain of jewels and a valley of dolls. Select fine furniture and objets d'art will blossom in between. So stay green. Green? Super Green!
