

# Floraborealis

**WORKS BY CYNTHIA WICK** JUNE 30–AUG. 27  
AT THE CENTER HOUSE LEONHARDT GALLERIES

“Floraborealis” features joyous, incandescent paintings that emerged out of the dark Covid years of isolation, when Cynthia Wick took refuge in her studio in Lenox, Mass., going inward for inspiration and exploring her memories of color, light and beauty. Her love of nature is undeniable as flowers, star-filled skies and bodies of water merge into distant, twinkling, city lights. These are deeply felt and personal works complex in their layering of vivid color.

**Gallery hours: Seven days a week, 9 a.m. – 5 p.m.**
