ESTATE COLLECTION OF THE ARTIST HAROLD ACH

Harold Ach was born and raised in Southern California. He has the ability to combine anatomy and detail with a strong composition, allowing the passage of light across the stylized yet essentially figurative sculptures of single and grouped images. He sculpts at Sculptor Rhonda Jones's Sculpting Garden in Hunting Beach, CA. He has studied at Golden West College and further developed his skill as a student in Pietrasanta, Italy. Ach has reportedly sold works to corporate collectors for seven figures.
