We have been commissioned by the family of a well known Cobbossee Lake gentleman (name withheld at their request) to liquidate the contents of the home, outbuildings, and barn. This is a big one and it is a good one! The gentleman was an avid collector of clocks in all in descriptions and conditions along with hundreds if not thousands of items including a 1967 Ford Galaxie 500 Convertible – barn find, driven in 1988 and not moved but covered. Classic 1950s or 1960s Glastron 16' Glasspar Avalon fiberglass boat with Evinrude motor, Swiss Artist Olga Derendinger-Roux amongst other listed artists and Maine artists. Approximately 25 to 30 paintings and prints. Huge lots of glass, porcelain and china from the dining room and throughout the house. A multitude of costume and precious metal jewelry, and silver bullion, mahogany dining room furniture. This is a great opportunity for dealers, collectors and the retail trade to acquire seldom offered items. Transparent easy bidding.

Auctioneer's Note: This is strictly an online auction. No viewing of the objects available except for the car, boat and road sander – by appointment only. If you have any questions, please contact us by phone or email. There are many diversified lots, many with multiple items. If you are looking to acquire "old things", don't miss this sale. To get the full flavor of this auction, please go to the website Auction Ninja and locate G W Bell Antiques & Auctions to review the catalogue and place your bids.
