Featuring the European Bronze Collection of James and Anita Terry of Bloomfield Hills, Michigan, USA

Discover an extraordinary collection of European bronzes and fine art, including works from notable sculptors such as Émile Louis Picault, Charles Marion Russell, and Mathurin Moreau. This September, DuMouchelles presents over 200 lots of finely crafted bronzes that reflect the elegance and craftsmanship of the 19th century. Highlights include magnificent pieces such as Isidore Jules Bonheur's "Taureau," Marshall Maynard Fredericks' "Two Bears," and a pair of French Empire candelabras, offering collectors a unique opportunity to acquire historically significant and beautifully detailed sculptures.
