

Estate Collections and Fine Treasures

Antiques, Art, Silver, Jewelry, Historical, Books & Collectibles

We have the privilege to represent several Collections from various estates, including many pieces from one of the heirs from the Emmons Woodchuck Knoll Estate we handled before. There are very fine and high-end jewelry and gemstones. We have asked John Fritze Jr. CIA Gemologist to consult on these matters and provide the written appraisals. We have many nice rifles, including the most spectacular Special Edition of a Remington 700 CLD 270 Winchester beautifully engraved with gold and silver by H&H, a very nice Winchester 1894 lever-action. There is a large amount of silver coins, silver Tiffany Lighter, nice repousse sterling items, nice Old English Silver Flatware and much more. A very rare Markneukirchen violin by the Heberlein family of Germany. Early Books, Country Primitive Items - so much more. This auction's very fine collectibles are too much to mention. **Note:** The rifles to be sold via in person bidding only - while rest of auction to be sold via internet (Live Auctioneers) as well as in person.
