When starting my auction company, I had no aspirations to build the biggest auction house, I simply wanted a place where all of my favorite aspects of the art & antiques community could be cultivated: knowledge, passion, curiosity, trust, & relationships. A place driven not by numbers, but by heart & soul – a genuine devotion to the “stuff” & people who love it. With a team of experienced, diligent, & kind professionals, I can tell you with confidence that there is one thing you can count on from us: that when it comes to representing you & your collection, we are **all heart**.
