Celebrate America's 250th birthday with Histoury's rare guided tours of Connecticut colonial home interiors, including access to privately held historic homes not usually open to the public.

Travel by charter bus with expert guides through Old Lyme, Westport & Weston, and Avon & Simsbury, with multiple interior stops and additional historic homes highlighted along the way.

## Tour Dates:

| May 2 – Old Lyme | May 3 – Westport & Weston |  
| May 30 – Avon & Simsbury |

Because these tours include private-home access, each is offered
